

# BARNABY BEAR'S WORLD MAP

## Activities

### I can read Barnaby's world map

Look at Barnaby's world map.  
One key shows the landscape colours.  
Colour these landscape boxes:

<b>Mountains</b>	
<b>Desert</b>	
<b>Rainforest</b>	

The other key gives the names of animals.  
Draw and name one animal from Barnaby's map.

If I had a balloon, I would fly over

I would see these landscapes

I would take this picture  
for my photo album.
